CHIEF DEPUTY CLERK

ORDER DENYING PETITION

This is a proper person petition for a writ of habeas corpus. Citing to Article 6, Section 4 of the Nevada Constitution, petitioner challenges the validity of his judgment of conviction.

This court has held that it "will not exercise its original jurisdiction to consider a writ petition in a criminal case raising claims that could or should have been raised in an appeal or in an appropriate post-conviction proceeding in the district court."¹ We have reviewed the documents before this court, and we decline to exercise this court's original jurisdiction in this matter. Accordingly, we

ORDER the petition DENIED.²

¹Hosier v. State, 121 Nev. ___, ___, 117 P.3d 212, 213 (2005).

²We have received all proper person documents submitted in this matter, and we conclude that no relief is warranted for the reason set forth above.
