ORDER DISMISSING APPEAL

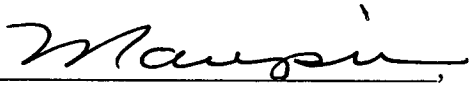

This court previously disapproved the parties' stipulation to dismiss this appeal because the appeal was stayed pursuant to federal bankruptcy law.¹ Prior to the stay being imposed, this court had allowed appellant's counsel of record to withdraw and twice directed appellant to retain new counsel and to cause new counsel to file a notice of appearance with this court.

This court has now received documentation from the United States Bankruptcy Court for the Southern District of New York indicating that appellant's bankruptcy case has been closed. Accordingly, this appeal may proceed. We elect to reconsider the parties' stipulation to dismiss this appeal pursuant to the settlement conference program, and we approve

¹ That stipulation was signed by counsel for respondent and appellant's bankruptcy trustee.

that stipulation. Accordingly, we dismiss this appeal. The parties shall bear their own costs and attorney fees. NRAP 42(b).

It is so ORDERED.
