ORDER DISMISSING APPEAL

On February 4, 2008, this court entered an order that concluded appellant would be proceeding on appeal in proper person and placed this appeal in the pilot program for civil proper person appeals. As outlined in our February 4 order, appellant had 40 days from that order's date to file and serve his civil proper person appeal statement. Our February 4 order cautioned appellant that his failure to file his civil proper person appeal statement within that time period may result in the dismissal of this appeal. Appellant's civil proper person appeal statement was due in this court on March 17, 2008. To date appellant has failed to file his civil proper person appeal statement or otherwise respond to this court's directive. Accordingly, we conclude that appellant has abandoned this appeal and we
