ORDER DISMISSING APPEAL

On July 3, 2001, we entered an order partially dismissing this appeal. Pursuant to that order, appellant was required to file the opening brief and appendix by August 2, 2001. To date, appellant has failed to file the required documents, or otherwise communicate with this court.

On January 22, 2002, respondents filed a motion to dismiss this appeal. In support of the motion, respondents state that “[n]o brief was ever filed by Nye County,” and that there are “no remaining claims to be adjudicated.” The motion was served upon counsel for appellant and, to date, has not been opposed. Cause appearing, we grant the unopposed motion and we dismiss this appeal. See NRAP 31(c).

It is so ORDERED.
