ORDER DISMISSING APPEAL AND REMANDING

This is an appeal from amended district court judgments on a jury verdict in a personal injury action and from postjudgment orders regarding costs and denying a motion for a new trial. Eighth Judicial District Court, Clark County; David B. Barker and Elizabeth Halverson, Judges.

On October 23, 2009, the parties filed a stipulation to dismiss this appeal and a joint motion asking this court to remand this matter to the district court to vacate the judgment and dismiss all claims with prejudice, as set forth in the parties' settlement agreement. We approve the parties' stipulation and grant the motion, hereby dismissing this appeal and remanding the matter to the district court. The appeal's dismissal is without prejudice to appellants' right to file a motion to reinstate the appeal should the district court decline to grant the requested relief.

It is so ORDERED.
