ORDER DISMISSING APPEAL

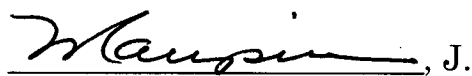

This is an appeal from a district court order that denied a challenge to an initiative petition intended for placement on the November 2008 election ballot. First Judicial District Court, Carson City; Miriam Shearing, Judge.

On May 21, 2008, we entered an order directing the parties to inform us of this matter's status and to show cause why this appeal should not be dismissed as moot, as it appeared that respondents might no longer wish to have the initiative at issue in this appeal placed on the November

2008 ballot. In response, the parties have filed a stipulation to dismiss this appeal. We approve the parties' stipulation,<sup>1</sup> and we

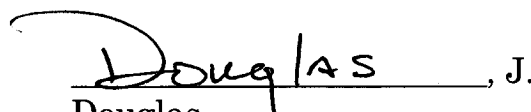

ORDER this appeal DISMISSED.<sup>2</sup>

<sup>1</sup>On May 15, 2008, appellant Nevada Resort Association filed an objection to our May 7, 2008, order modifying the caption and removing Ross Miller, Secretary of the State of Nevada, as a respondent to this appeal. In light of the parties' stipulation, however, the issue is moot, and we need not further address Nevada Resort Association's May 15 objection.

<sup>2</sup>The parties shall bear their own costs and fees, if any. Further, we vacate the oral argument scheduled on July 1, 2008, at 1:30 p.m.
