ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner challenges the validity of his conviction for ex-felon failure to change address—a conviction arising from the municipal court. Petitioner claims: (1) malicious prosecution; (2) NRS 179C.110 fails to provide notice of the sentencing guidelines; and (3) insufficient evidence. We have considered the documents submitted in this matter, and we conclude that extraordinary relief is not warranted.¹ Accordingly, we

ORDER the petition DENIED.
