ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner asserts that there is an active bench warrant pending in Washoe County. Petitioner seeks an order directing that his presence be secured in the Second Judicial District Court without delay. We have considered the documents submitted in this matter, and we conclude that this court's intervention in this matter is not warranted. It appears that that the warrant referred to by petitioner relates to probation violation. Petitioner should seek relief in the district court in the first instance. Accordingly, we

ORDER the petition DENIED.
