ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order dismissing a criminal complaint for lack of a timely preliminary hearing. We have considered the documents submitted in this matter, and we conclude that this court's intervention in this matter is not warranted.¹ Petitioner states that he is represented by trial counsel in the criminal proceedings below, and he should proceed by and through his trial counsel. Accordingly, we

ORDER the petition DENIED.
