ORDER DISMISSING APPEAL AND CROSS-APPEAL AND
REMANDING TO THE DISTRICT COURT

Pursuant to the settlement conference, the stipulation of the parties and cause appearing, we dismiss this appeal and cross-appeal. The parties shall bear their own costs and attorney fees. NRAP 42(b). We remand this matter to the district court to conduct appropriate proceedings, if any, to alter, amend, or vacate its order or judgment as necessary for the parties to fulfill the terms of their settlement agreement. In the event the district court declines to grant the requested relief, either party may file a motion to reinstate this matter.

It is so ORDERED.¹

¹ In light of the parties' stipulation, we deny as moot, respondent/cross-appellant's ("respondent") "Motion to Enforce the Terms of the Settlement or in the Alternative Leave to Proceed with the Appeal," as well as appellants/cross-respondents' motion for an extension of time to file a response to respondent's motion.
