DEPUTY CLERK

ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus, or alternatively, a writ of prohibition. Petitioner claims that the Nevada Department of Corrections has incorrectly computed and applied statutory credits. We have considered the documents submitted in this court, and we conclude that this court's intervention is not warranted at this time.<sup>1</sup> A challenge to the computation of time served must be raised in a post-conviction petition for a writ of habeas corpus filed in the district court in the first instance.<sup>2</sup> Accordingly, we

ORDER the petition DENIED.
