ORDER DENYING PETITION

This original petition for a writ of prohibition or mandamus challenges a district court order granting a petition for a writ of mandamus. Having reviewed the petition and supporting documents, we decline to exercise our original jurisdiction because petitioner had a "plain, speedy and adequate remedy in the ordinary course of law." NRS 34.170. In particular, the district court's order was appealable to this court. NRS 2.090(2) (providing that supreme court has jurisdiction on appeal "from an order granting or refusing to grant . . . mandamus"). We therefore

ORDER the petition DENIED.
