ORDER DENYING PETITION

This is a proper person "motion to set aside judgment for the eighth judicial court failed to address the challenge of subject matter jurisdiction found in the body of the pro-se petition for writ of habeas corpus." We construe this motion as a petition for extraordinary relief. Petitioner appears to challenge the district court's disposition of a proper person post-conviction petition for a writ of habeas corpus. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims, we decline to exercise original jurisdiction in this matter. NRS 34.020; NRS 34.160; NRS 34.170. Accordingly, we

ORDER the petition DENIED.
