ORDER DENYING PETITION

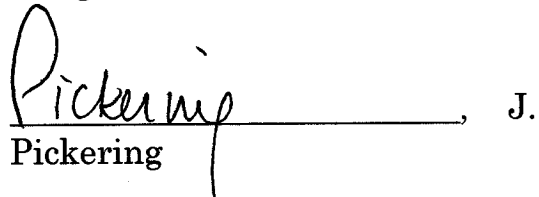

This is a proper person petition for extraordinary relief labeled "request for reconsideration for time served of jail time credits." Petitioner challenges the computation of time served and seeks documents and records relating to the computation of time served. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims, we decline to exercise original jurisdiction in this matter. A challenge to the computation of time served must be raised in a post-conviction petition for a writ of habeas corpus filed in the district court in the first instance. NRS 34.724(2)(c); NRS 34.738(1). Petitioner should

follow prison regulations in seeking documents and pursue any litigation in the district court in the first instance. Accordingly, we

ORDER the petition DENIED.
