ORDER DENYING PETITION

FOR WRIT OF CERTIORARI

This is a proper person petition for a writ of certiorari challenging the district court's failure to enter a written order resolving his motion to set aside his judgment of conviction.

Appellant's appeal from the motion to set aside the judgment is currently pending in this court in Docket No. 34663.

> [On March 16, 2000,] the clerk of the district court transmitted to this court a certified copy of the written order denying petitioner's motion to set aside the judgment. [Accordingly, appellant has obtained the relief he seeks; his claims of error can be pursued in the appeal. We therefore deny this petition as moot.

It is so ORDERED.<sup>1</sup>
