ORDER OF AFFIRMANCE

This is a proper person appeal from an order of the district court denying a motion to modify sentence. Eighth Judicial District Court, Clark County; Kenneth C. Cory, Judge.

In his motion, filed on January 27, 2011, appellant claimed that his sentence should be modified because the deadly weapon enhancement violates double jeopardy and because he does not pose a threat to the community and took responsibility for his actions. Appellant failed to demonstrate that the district court relied on mistaken assumptions regarding his criminal record that worked to his extreme detriment. See Edwards v. State, 112 Nev. 704, 708, 918 P.2d 321, 324 (1996). We therefore conclude that the district court did not err in denying appellant's motion. Accordingly, we

ORDER the judgment of the district court AFFIRMED.
