ORDER DENYING PETITIONS
FOR WRITS OF MANDAMUS OR PROHIBITION

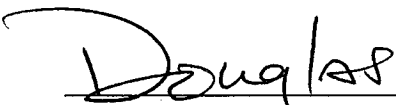

These are six petitions for writs of mandamus or prohibition arising from the same underlying district court action. The petitions have not been consolidated.

A writ of mandamus is available to compel the performance of an act that the law requires as a duty resulting from an office, trust, or station, or to control an arbitrary or capricious exercise of discretion. NRS

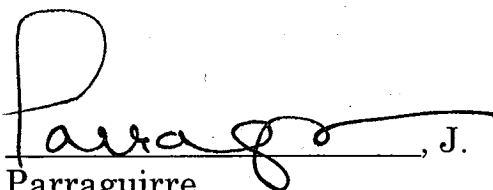

34.160; International Game Tech. v. Dist. Ct., 124 Nev. 193, 197, 179 P.3d 556, 558 (2008). A writ of prohibition is available to arrest the proceedings of any tribunal acting in excess of its jurisdiction. NRS 34.320. Whether a petition for extraordinary relief will be considered is purely discretionary with this court. See Smith v. District Court, 107 Nev. 674, 677, 818 P.2d 849, 851 (1991). Additionally, it is petitioner's burden to demonstrate that this court's extraordinary intervention is warranted. Pan v. Dist. Ct., 120 Nev. 222, 228, 88 P.3d 840, 844 (2004). Writ relief is generally available, however, only when there is no plain, speedy, and adequate remedy in the ordinary course of law. NRS 34.170; NRS 34.330. Moreover, this court has held that the right to appeal is generally an adequate legal remedy precluding writ relief. Pan, 120 Nev. at 224, 88 P.3d at 841.

Here, trial of the underlying action is set to begin in June 2012 and, once trial has concluded, petitioner, if aggrieved by the final judgment entered following trial, may appeal from that judgment. Accordingly, we conclude that petitioner has a speedy and adequate legal remedy precluding writ relief, id. at 224, 88 P.3d at 841, and we therefore deny the petitions. NRAP 21(b)(1),

It is so ORDERED.¹

Douglas

_____, J.
Gibbons

_____, J.
Parraguirre

¹In light of this order, we deny as moot the motions for stay pending in each of these petitions.
