ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner claims that the Nevada Department of Corrections has incorrectly computed and applied statutory credits. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. See NRS 34.160; NRS 34.170. A challenge to the computation of time served must be raised in a post-conviction petition for a writ of habeas corpus filed in the district court in the first instance. NRS 34.724(2)(c); NRS 34.738(1). Accordingly, we

ORDER the petition DENIED.
