ORDER DISMISSING APPEAL

This is an appeal from a district court order granting declaratory relief in an attorney fees matter. Eighth Judicial District Court, Clark County; Gloria Sturman, Judge.

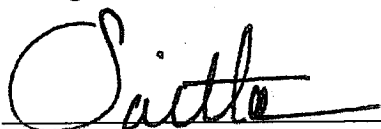

On June 24, 2013, this court granted appellant an extension of time to file the opening brief and appendix, based on his assertion that a timely filed tolling motion remained pending below, rendering this appeal premature. In the June 24 order, we gave appellant 30 days to submit to this court a copy of any order resolving the tolling motion or to otherwise show cause why this appeal should not be dismissed for lack of jurisdiction, and to file the opening brief and appendix. Appellant has filed a response, asserting that the district court has not yet filed an order

resolving the tolling motion and that this appeal, therefore, may be dismissed as premature. He did not file the opening brief. Consequently, we

ORDER this appeal DISMISSED.
