*ORDER DENYING PETITION*

This is a proper person petition for a writ of habeas corpus, or alternatively, a writ of mandamus. Petitioner seeks an order from this court directing the district court to resentence him because there was insufficient proof of prior convictions to support his habitual criminal adjudication, his counsel was ineffective at sentencing, and the State withheld evidence. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. *See* NRS 34.160; NRS 34.170; NRS 34.738(1). Accordingly, we

ORDER the petition DENIED.
