ORDER DENYING PETITION

This is a proper person petition for a writ of habeas corpus. Petitioner asserts that the State failed to demonstrate that the district court had jurisdiction to convict him and seeks an order directing the Nevada Department of Corrections to release him to the custody of Nye County to allow him to serve a jail term for a misdemeanor conviction in that county. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. Accordingly, we

ORDER the petition DENIED.
