ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner appears to seek an order directing the district court to enter a written order denying a petition for a writ of error coram nobis that he filed in the justice court. Appellant also appears to seek this court's review of the justice court proceedings and his appeal from the justice court's denial of his petition. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. See NRS 34.170. Accordingly, we

ORDER the petition DENIED.
