ORDER DISMISSING APPEAL

Respondent has filed a motion and renewed motion to dismiss this appeal, arguing that the appeal is premature because the district court has not yet entered a final appealable judgment or order. In his untimely answer, appellant concedes that there has been no final judgment rendered but requests that we stay this appeal until a final judgment has been entered. Because no final appealable judgment or order has been entered below, we lack jurisdiction over this appeal. NRAP 3A(b)(1); *Lee v. GNLV Corp.*, 116 Nev. 424, 996 P.2d 416 (2000). Accordingly, we grant respondent's motion and renewed motion, and we

ORDER this appeal DISMISSED.
