*ORDER DISMISSING APPEAL*

This is a proper person appeal from a district court order dismissing appellant's underlying action. Seventh Judicial District Court, White Pine County; Steve L. Dobrescu, Judge.

Our review of the documents before this court reveals a jurisdictional defect. Specifically, NRAP 3A(b)(1) allows an appeal from a final judgment entered in an action. "[A] final judgment is one that disposes of all the issues presented in the case, and leaves nothing for the future consideration of the court, except for post-judgment issues such as attorney's fees and costs." *Lee v. GNLV Corp.*, 116 Nev. 424, 426, 996 P.2d 416, 417 (2000). The order appellant appeals from is not a final judgment because it does not resolve appellant's claims against respondents State of Nevada in relation to Nevada Department of Corrections and James Bruffy. Because the appealed-from order is not a final judgment, and no

other statute or court rule appears to authorize this appeal, we lack jurisdiction to consider the appeal at this time, and we

ORDER this appeal DISMISSED.
