ORDER DENYING PETITION

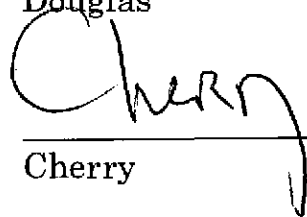

This is a pro se petition for a writ of mandamus. Petitioner challenges the calculation of time he has served in prison and the decisions of the district court and the Nevada Court of Appeals denying his postconviction petition for a writ of habeas corpus challenging the computation of time served. *See Costantino v. Warden*, Docket No. 67869 (Order of Affirmance, October 19, 2015). Without deciding upon the merits of any claims raised in the documents submitted in this matter, we decline to exercise our original jurisdiction. *See* NRS 34.160; NRS 34.170;

see also NRAP 40B(a) ("A decision of the Court of Appeals is a final decision that is not reviewable by the Supreme Court except on petition for review."). Accordingly, we

ORDER the petition DENIED.
