ORDER DENYING PETITION

This is an original pro se petition for a writ of mandamus. Petitioner seeks an order directing the district court to issue a summons and complaint in district court case no. A-495030, which commenced on December 4, 2008. However, petitioner has not named the district court as a party to this action. But even setting that circumstance aside, we conclude that petitioner has not demonstrated that our intervention is warranted. *See Pan v. Eighth Judicial District Court*, 120 Nev. 222, 228, 88 P.3d 840, 841 (2004). Accordingly, we

ORDER the petition DENIED.
