ORDER DENYING PETITION

This original petition for a writ of mandamus challenges a district court order or actions related to a petition for a writ of habeas corpus.¹ We decline to intervene by way of extraordinary writ because petitioner has an adequate remedy at law in that he may appeal from any adverse final decision entered by the district court. See NRS 34.170 (mandamus will issue when there is no plain, speedy, and adequate legal remedy); *Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 224, 88 P.3d 840, 841 (2004) (“[T]he right to appeal is generally an adequate legal remedy that precludes writ relief”). Accordingly, we

ORDER the petition DENIED.
