ORDER DENYING PETITIONS

These original petitions for a writ of mandamus seek review of a district court order denying an NRCP 60(b) motion to set aside a district court order entered on August 30, 2005, that dismissed petitioner's "Habeas Corpus Giglio Claim."¹ We are not convinced our intervention is warranted. The documents before this court indicate petitioner filed his NRCP 60(b) motion to set aside the August 30, 2005, order on October 20, 2016. Petitioner has not met his burden of demonstrating the district court acted arbitrarily and capriciously or manifestly abused its discretion by denying his NRCP 60(b) motion. See NRCP 60(b) (requiring a motion filed under this rule that alleges fraud, misrepresentation or other misconduct of a party to be filed "not more than 6 months after the
