ORDER DENYING PETITIONS

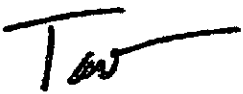

These petitions for a writ of mandamus seek an order directing the district court to enter an amended judgment of conviction in district court case number 06C226809 that references NRS 207.010. Petitioner asserts the district court granted a motion for an amended judgment of conviction on February 7, 2017, but the court has not yet entered the amended judgment of conviction. Petitioner also requests this court to order the district court to leave off any reference to district court case number 07C229397 in the amended judgment of conviction.

17-901059

We have considered the petition on file herein, and we are not satisfied this court's intervention by way of extraordinary writ is warranted at this time. We note it appears the district court entered an amended judgment of conviction in district court case number 06C226809 on April 14, 2017. Accordingly, without deciding upon the merits of any claims raised therein, we deny the petitions. See NRAP 21(b); *Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 228, 88 P.3d 840, 844 (2004) ("Petitioner[] carr[ies] the burden of demonstrating that extraordinary relief is warranted."). Therefore, we

ORDER the petitions DENIED.
