ORDER DISMISSING APPEAL

This is a pro se appeal from an order suspending appellant's supervised visitation for two months and directing appellant to apologize to his child. Second Judicial District Court, Family Court Division, Washoe County; David Humke, Judge.

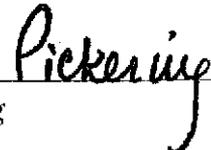

Our review of the documents submitted to this court pursuant to NRAP 3(g) reveals a jurisdictional defect. Specifically, it appears that the judgment or order designated in the notice of appeal is not substantively appealable. See NRAP 3A(b). This court has jurisdiction to consider an appeal only when the appeal is authorized by statute or court rule. *Taylor Constr. Co. v. Hilton Hotels*, 100 Nev. 207, 678 P.2d 1152 (1984). No statute or court rule provides for an appeal from an order suspending visitation for

two months or from an order directing a party's communications with a child. Accordingly, we conclude that we lack jurisdiction, and we

ORDER this appeal DISMISSED.¹
