ORDER OF AFFIRMANCE

Zel Norman appeals from an order of the district court denying his motion to vacate an illegal sentence and judgment of conviction filed on September 6, 2016.¹ Eighth Judicial District Court, Clark County; Michael Villani, Judge.

In his motion, Norman claimed his conviction should be vacated because the district court lacked jurisdiction as a result of the district attorney failing to post a bond prior to taking office. Norman's claim failed to implicate the jurisdiction of the district court. *See* Nev. Const. art. 6, § 6; NRS 171.010; *Edwards v. State*, 112 Nev. 704, 708, 918 P.2d 321, 324 (1996). Therefore, we conclude the district court did not err by denying Norman's motion, and we

ORDER the judgment of the district court AFFIRMED.
