ORDER DISMISSING APPEAL

This is a pro se appeal. Eighth Judicial District Court, Clark County; James Crockett, Judge.

Our review of the documents submitted to this court pursuant to NRAP 3(g) reveals jurisdictional defects. Specifically, appellant fails to identify an appealable order. Appellant refers in the notice of appeal to an order entered December 29, 2017. No such order appears in the documents transmitted to this court, nor is any identifiable appealable order listed in the district court docket entries. Accordingly, we conclude that we lack jurisdiction, and we

ORDER this appeal DISMISSED.
