RASMUSSEN,
Real Parties in Interest.

No. 75032

FILED

FEB 06 2018

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY S. Young
DEPUTY CLERK

*ORDER DENYING PETITION
FOR WRIT OF MANDAMUS OR PROHIBITION*

This original, emergency petition for a writ of mandamus or prohibition challenges various district court orders and procedures and seeks an order directing the district court to deny pending child custody motions.

Having review the petition and its supporting documents, we conclude that this petition is premature. A district court hearing on the

pending motions is scheduled for February 7, 2018. Our review of the issues raised herein would be benefited by a complete, post-hearing record. See *Archon Corp. v. Eighth Judicial Dist. Court*, 133 Nev., Adv. Op. 101, 407 P.3d 702, 709-10 (2017) (emphasizing the judicial economy and efficiency interests served by allowing review only upon a complete record). Moreover, to the extent that the district court hearing results in a final child custody order, petitioner has an adequate legal remedy available in the form of an appeal from the final child custody determination or modification order, precluding writ relief. See NRS 34.170; NRS 34.330; *Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 224, 88 P.3d 840, 841 (2004). Accordingly, we are not persuaded that our extraordinary and discretionary intervention is warranted at this time, *Pan*, 120 Nev. at 228, 88 P.3d at 844; *Smith v. Eighth Judicial Dist. Court*, 107 Nev. 674, 677, 679, 818 P.2d 849, 851, 853 (1991), and we

ORDER the petition DENIED.
