*ORDER DENYING PETITION*

This original petition for a writ of mandamus seeks an order directing the district court to grant a motion to dismiss petitioner Harold Cordova's postconviction counsel and direct counsel to return all records to Cordova. Cordova has not provided this court with any documents in support of his petition. See NRAP 21(a)(4). Further, Cordova can challenge the district court's denial of his motion to dismiss counsel on appeal in the event the district court denies his postconviction petition. See NRS 34.575(1); NRS 177.045. Because Cordova has a plain, speedy, and adequate remedy at law, we conclude this court's intervention by way of an extraordinary writ is not warranted. NRS 34.170. Accordingly, without deciding the merits of the claim raised, we

ORDER the petition DENIED.<sup>1</sup>
