ORDER DENYING PETITION

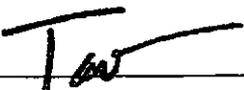

This original petition for a writ of prohibition challenges the transfer of Alexander Durfey's case from one department to another in the Eighth Judicial District Court in 2014. Durfey asserts the transfer occurred in violation of the Nevada Revised Statutes. Durfey further asserts the judge has acted improperly by entering rulings even after his case was transferred out of the judge's department, and by stealing, or directing others to steal, lawfully filed motions. Durfey has not provided this court with any documentation to support his assertions. See NRAP 21(a)(4). Therefore, we conclude Durfey has failed to meet his burden of demonstrating extraordinary relief is warranted. See *Pan v. Eighth*

Judicial Dist. Court, 120 Nev. 222, 228, 88 P.3d 840, 844 (2004).

Accordingly, without deciding upon the merits of any claims raised, we

ORDER the petition DENIED.
