ORDER DISMISSING APPEAL AS ABANDONED

On December 12, 2018, this court granted counsel for appellant's motion to withdraw and gave appellant 30 days to retain new counsel and cause new counsel to file a notice of appearance with this court. The order cautioned appellant that it may not appear without counsel. NRAP 46A(b)(2). Appellant did not respond. Because the settlement judge advised this court that appellant was involved in bankruptcy proceedings, on February 20, 2019, and March 25, 2019, this court issued orders directing the parties to file status reports regarding the bankruptcy proceedings and whether appellant had retained new counsel. Although respondents and the bankruptcy trustee responded to our orders, appellant did not.

Appellant has been given more than ample opportunity to retain new counsel, yet has not responded to this court's orders.

Accordingly, it appears that appellant has abandoned this appeal. We therefore dismiss this appeal as abandoned.¹

It is so ORDERED.
