*ORDER OF AFFIRMANCE*

Gene Curtis Roper appeals from an order of the district court dismissing a postconviction petition for a writ of habeas corpus filed on August 29, 2018.<sup>1</sup> Seventh Judicial District Court, White Pine County; Steve L. Dobrescu, Judge.

In his petition, Roper alleged numerous errors occurred during his prison disciplinary hearing. However, the district court dismissed Roper's petition because Roper failed to allege he had forfeited any credits based on the disciplinary hearing.

We conclude the district court did not err by dismissing the petition. Roper's petition did not challenge his judgment of conviction and he did not allege he forfeited credits based upon the prison disciplinary proceedings. Therefore, his claim was not cognizable in a postconviction
