ORDER DISMISSING APPEAL

This is an appeal from a district court order terminating appellant's parental rights. On April 5, 2017, appellant's counsel filed a motion for a voluntary dismissal of this appeal. Counsel informs this court that she has written to appellant "imploing her to work with [counsel] regarding the appeal," and "explain[ing] the legal effects and consequences of the voluntary withdrawal of this appeal," but has not had contact with appellant since October 2016.

As it appears that appellant has abandoned this appeal, we grant counsel's motion and we

ORDER this appeal DISMISSED.
