ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY   
DEPUTY CLERK

*ORDER DISMISSING APPEAL*

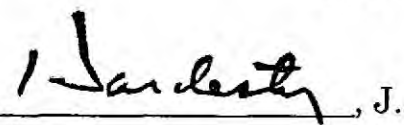

This is a pro se appeal from district court orders denying a motion to show cause; denying an application to proceed in forma pauperis; denying a motion for transportation of inmate for court appearance or, in the alternative, for appearance by telephone or video conference; denying a motion for full disclosure; denying an ex parte motion for appointment of counsel and request for evidentiary hearing; denying a motion to appoint counsel; denying a motion to produce; denying a motion for chain of custody; denying a motion for enlargement of time; and denying a motion to dismiss. Ninth Judicial District Court, Douglas County; Thomas W. Gregory, Judge.

This court's review of this appeal reveals a jurisdictional defect. Specifically, no statute or court rule permits an appeal from an order

denying the aforementioned motions. *Castillo v. State*, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990). Accordingly, this court lacks jurisdiction to consider this appeal, and

ORDERS this appeal DISMISSED.
