ORDER DISMISSING APPEAL

This is a pro se appeal from an order purportedly entered on September 24, 2019. Eighth Judicial District Court, Family Court Division, Clark County; Charles J. Hoskin, Judge.

Review of the documents before this court reveals a potential jurisdictional defect. The district court docket sheet does not indicate that any order was entered in the district court on September 24, 2019. To the extent appellant appeals from the July 10, 2019, order extending the temporary protective order, such an order is not appealable. And no appealable order appears on the district court docket entries. Accordingly, as it appears this court lacks jurisdiction, this court

ORDERS this appeal DISMISED.
