

IN THE COURT OF APPEALS OF THE STATE OF NEVADA

DARNELL WEBSTER,
Appellant,
vs.
THE STATE OF NEVADA,
Respondent.

No. 78763-COA

FILED

MAY 11 2020

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY S. Young
DEPUTY CLERK

ORDER OF AFFIRMANCE

Darnell Webster appeals from a judgment of conviction entered pursuant to a guilty plea of robbery of a victim 60 years of age or older, three counts of burglary, possession of a credit card without the cardholder's consent, attempted theft, two counts of fraudulent use of a credit card or debit card, two counts of theft, and embezzlement. Eighth Judicial District Court, Clark County; Jerry A. Wiese, Judge.

Webster claims the district court erred by denying his pretrial motion to suppress evidence. However, the record demonstrates the district court denied Webster's motion to suppress evidence before Webster entered his guilty plea, and the record does not demonstrate that Webster reserved the right to a review of the adverse determination of this pretrial motion. See NRS 174.035(3); *Webb v. State*, 91 Nev. 469, 470, 538 P.2d 164, 165 (1975) (the entry of a guilty plea generally waives any right to appeal from

events occurring prior to the entry of the guilty plea). Therefore, we decline to review this claim of error, and we

ORDER the judgment of conviction AFFIRMED.
