*ORDER DISMISSING APPEAL*

This is an appeal from a final judgment and certain interlocutory orders. Eighth Judicial District Court, Clark County; Nadia Krall, Judge.

The parties have filed a stipulation to dismiss this appeal and for this court to remand to the district court to enable the district court to enter an order vacating the underlying judgment and other particular orders pursuant to the parties' agreement.

Upon the dismissal of this appeal, jurisdiction over the underlying case automatically returns to the district court, rendering a remand unnecessary. The stipulation is therefore approved as follows: this appeal is dismissed without prejudice to the parties' right to seek

reinstatement if the relief sought in the district court is not granted.<sup>1</sup> The parties shall bear their own fees and costs.

It is so ORDERED.
