ORDER DISMISSING APPEAL

This is a pro se appeal from a district court order denying a pretrial motion to disqualify judge.

Because no statute or court rule permits an appeal from an order denying a pretrial motion to disqualify judge, this court lacks jurisdiction to consider this appeal. *Castillo v. State*, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990). Accordingly, this court

ORDERS this appeal DISMISSED.
