ORDER DISMISSING PETITION

This original, emergency petition seeks a writ of mandamus directing the district court to (1) enforce its June 19, 2022, order requiring real party in interest to submit to a drug test on that date and (2) grant petitioner's motion for an order shortening time on his motion to immediately modify custody; for supervised parenting time; for an order to show cause; for child support; and for attorney fees and related relief.

On July 8, 2022, this court entered an order directing real party in interest to file an answer and petitioner to file a reply on an expedited basis. Before an answer was filed, however, on July 8, petitioner filed a reply indicating that the district court had entered an order on July 6, 2022, that "renders [p]etitioner's writ moot." Having reviewed the reply and the July 6 district court order that was attached to the reply as an exhibit, we agree with petitioner that the issues presented in this emergency petition are now moot, such that this court's intervention by way of extraordinary

relief is not warranted. *Nat'l Collegiate Athletic Assn v. Univ. of Nev., Reno*,
97 Nev. 56, 58, 624 P.2d 10, 11 (1981). Accordingly, we

ORDER the petition DISMISSED.
