ORDER DISMISSING APPEALS

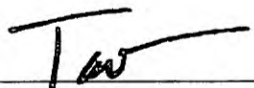

Charles Anthony Skaggs appeals from orders of the district court granting the State's motions to dismiss in part Skaggs' October 22, 2019, postconviction petitions for a writ of habeas corpus. These cases were consolidated on appeal. *See* NRAP 3(b). Second Judicial District Court, Washoe County; Scott N. Freeman, Judge.

Our review of these appeals reveals a jurisdictional defect. The November 9, 2021, order granting the motions to dismiss the petitions in part did not resolve all of the claims raised in Skaggs' petitions. The order was thus not a final order. *See Sandstrom v. Second Judicial Dist. Court*, 121 Nev. 657, 659, 119 P.3d 1250, 1252 (2005) (“[A] final order [is] one that disposes of all issues and leaves nothing for future consideration.”).

Accordingly, we lack jurisdiction to consider these appeals, *see* NRS 177.015(3), and we

ORDER these appeals DISMISSED.
