ORDER DISMISSING APPEAL

This is a pro se appeal from a district court order granting in part a motion to dismiss and from a district court order denying a request to recuse judge. Eighth Judicial District Court, Clark County; Jerry A. Wiese, Judge; Eighth Judicial District Court, Clark County; Maria A. Gall, Judge.

Review of the notice of appeal and amended notice of appeal reveals a jurisdictional defect. To date, no final judgment appealable under NRAP 3A(b)(1) has been entered in the underlying district court action; appellant's claims for injury suffered by a vulnerable person, negligence and gross negligence, and intentional infliction of emotional distress remain pending. *See Lee v. GNLV Corp.*, 116 Nev. 424, 426, 996 P.2d 416, 417 (2000) (“[A] final judgment is one that disposes of all the issues presented in the case, and leaves nothing for the future consideration of the court, except for post-judgment issues such as attorney’s fees and costs.”). And no statute or court rule allows an appeal from an interlocutory order granting in part a motion to dismiss or an interlocutory order denying a request to recuse judge. *See Brown v. MHC Stagecoach, LLC*, 129 Nev. 343, 345, 301

P.3d 850, 851 (2013) (this court “may only consider appeals authorized by statute or court rule”). Accordingly, this court lacks jurisdiction and
