*ORDER DISMISSING APPEAL*

This appeal was initiated by the filing of pro se notices of appeal purporting to challenge “[t]he judgment in the above entitled action entered on or about July 30, 2021. . . . Which is the findings of fact and conclusions of law of Judge Danielle Chios reading on January 3, 2024, sign [sic] January 19, 2024.” Eighth Judicial District Court, Clark County; Jacqueline M. Bluth, Judge, and Danielle K. Pieper, Judge.

Appellant’s notice of appeal fails to identify any decisions of the district court. See NRAP 3(c)(1)(B). The district court’s docket entries do not reflect any entries on either January 3, 2024, or January 19, 2024. To the extent, if any, appellant’s notices of appeal can be construed as challenging the district court’s July 30, 2021, order, the notices of appeal were untimely filed. See *Lozada v. State*, 110 Nev. 349, 352, 871 P.2d 944, 946 (1994) (explaining that an untimely notice of appeal fails to vest jurisdiction in this court). We lack jurisdiction and
