ORDER DISMISSING APPEAL

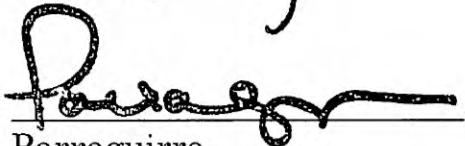

This is a pro se appeal from “(all) final judgment(s).” Eighth Judicial District Court, Clark County; Jacqueline M. Bluth, Judge.

Review of the documents before this court reveals a jurisdictional defect. In particular, the district court has not entered a final judgment in the case below. While it appears that one of the respondents, the State Bar of Nevada, has been dismissed from the action, no written order resolves the claims against respondents Alex B. Ghibaudo and G Law. Moreover, an order statistically closing a case is not a final, appealable order. *Brown v. MHC Stagecoach*, 129 Nev. 343, 347, 301 P.3d 850, 853 (2013). Consequently, claims remain pending below and no final judgment has been entered. See NRAP 3A(b)(1) (allowing appeals from final judgments); *Lee v. GNLV Corp.*, 116 Nev. 424, 426, 996 P.2d 416, 417 (2000) (recognizing that a final judgment is one that disposes of all the issues in the case, leaving nothing except post-judgment issues for consideration of the court). Additionally, vexatious litigant orders are not independently

appealable. *Peck v. Crouser*, 129 Nev. 120, 295 P.3d 586 (2013).
Accordingly, we lack jurisdiction to consider this appeal, and we
ORDER this appeal DISMISSED.
