ORDER DENYING PETITION

This is a pro se original petition for a writ of error challenging a district court order in a civil action relating to auto insurance coverage. Having considered the petition, we are not persuaded that our extraordinary and discretionary intervention is warranted, as petitioner has not demonstrated that she lacks an adequate remedy by way of appeal after final judgment. *See generally* NRS 34.170; *Pan v. Eighth Jud. Dist. Ct.*, 120 Nev. 222, 224, 88 P.3d 840, 841 (2004) (providing that writ relief is proper only when there is no plain, speedy, and adequate remedy at law and the petitioner bears the burden of demonstrating that writ relief is warranted); NRAP 21(c). Accordingly, we

ORDER the petition DENIED.¹
