ORDER DISMISSING APPEAL AS ABANDONED

After the settlement judge reported that the parties had agreed to a settlement, this court entered an order directing appellant to file a stipulation or motion to dismiss this appeal or otherwise inform this court of the status of this appeal within 30 days. Because appellant had not yet complied, on July 9, 2025, this court entered an order directing appellant to file a stipulation or motion to dismiss this appeal or otherwise inform this court of the status of this appeal within 14 days and cautioning that failure to comply would result in the dismissal of this appeal as abandoned. To date, appellant has not complied. Accordingly, we dismiss this appeal as abandoned.

It is so ORDERED.
